Smart family living, with room to relax

Designed for comfortable family living, this four-bedroom home brings everyone together in a light, open-plan kitchen, dining and living area. The kitchen island connects the spaces, while sliding doors lead from the dining area to the alfresco for relaxed outdoor meals and gatherings.

Set apart from the other bedrooms, the main bedroom includes a walk-in robe and ensuite. Three further bedrooms each have built-in robes and are close to the family bathroom. A dedicated laundry, linen storage, welcoming entry and double garage add practical touches to a home that makes everyday living feel easy.
